Amendments to the Claims:

Please amend Claims 114 and 115 as set forth below.

1-109. (Cancelled)

110. (Previously presented) A pharmaceutical composition for treating a mood disorder or an anxiety disorder comprising:

- (a) pipamperone in a dose of 5-15 mg,
- (b) escitalopram in a dose of 10-20 mg,

and a pharmaceutically acceptable carrier.

111. (Previously presented) The pharmaceutical composition of claim 110 for treating a mood disorder.

112. (Previously presented) The pharmaceutical composition of claim 110 for treating an anxiety disorder.

113. (Previously presented) A pharmaceutical composition comprising:

- (a) pipamperone in a dose of 5-15 mg,
- (b) escitalopram in a dose of 10-20 mg,

and a pharmaceutically acceptable carrier.

114. (Currently amended) The pharmaceutical composition of claim 113, wherein pipamperone and escitalopram are present in an amount effective to treat a mood disorder.

115. (Currently amended) The pharmaceutical composition of claim 113, wherein pipamperone and escitalopram are present in an amount effective to treat an anxiety disorder.

116. (Previously presented) The pharmaceutical composition of claim 110 comprising pipamperone in a dose of 15 mg.

117. (Previously presented) The pharmaceutical composition of claim 113 comprising pipamperone in a dose of 15 mg.

118. (Previously presented) The pharmaceutical composition of claim 110 comprising escitalopram in a dose of 10 mg.

119. (Previously presented) The pharmaceutical composition of claim 113 comprising escitalopram in a dose of 10 mg.

120. (Previously presented) The pharmaceutical composition of claim 110 comprising pipamperone in a dose of 15 mg and escitalopram in a dose of 10 mg.

121. (Previously presented) The pharmaceutical composition of claim 113 comprising pipamperone in a dose of 15 mg and escitalopram in a dose of 10 mg.

122. (Previously presented) The pharmaceutical composition of claim 110 formulated for daily administration.

123. (Previously presented) The pharmaceutical composition of claim 113 formulated for daily administration.

124. (Previously presented) The pharmaceutical composition of claim 110, wherein the daily dose of pipamperone is 5-15 mg per day.

125. (Previously presented) The pharmaceutical composition of claim 113, wherein the daily dose of pipamperone is 5-15 mg per day.

126. (Previously presented) The pharmaceutical composition of claim 110, wherein the daily dose of pipamperone is 15 mg per day.

127. (Previously presented) The pharmaceutical composition of claim 113, wherein the daily dose of pipamperone is 15 mg per day.

128. (Previously presented) The pharmaceutical composition of claim 110, wherein the daily dose of escitalopram is 10-20 mg per day.

129. (Previously presented) The pharmaceutical composition of claim 113, wherein the daily dose of escitalopram is 10-20 mg per day.

130. (Previously presented) The pharmaceutical composition of claim 110, wherein the daily dose of escitalopram is 10 mg per day.

131. (Previously presented) The pharmaceutical composition of claim 113, wherein the daily dose of escitalopram is 10 mg per day.

132. (Previously presented) The pharmaceutical composition of claim 110, wherein the daily dose of pipamperone is 15 mg per day and the daily dose of escitalopram is 10 mg per day.

133. (Previously presented) The pharmaceutical composition of claim 113, wherein the daily dose of pipamperone is 15 mg per day and the daily dose of escitalopram is 10 mg per day.

134. (Previously presented) The pharmaceutical composition of claim 110 comprising a pharmaceutically acceptable salt of pipamperone.

135. (Previously presented) The pharmaceutical composition of claim 113 comprising a pharmaceutically acceptable salt of pipamperone.

136. (Previously presented) The pharmaceutical composition of claim 110 comprising a pharmaceutically acceptable salt of escitalopram.

137. (Previously presented) The pharmaceutical composition of claim 113 comprising a pharmaceutically acceptable salt of escitalopram.

138. (Previously presented) The pharmaceutical composition of claim 110 formulated for twice daily administration.

139. (Previously presented) The pharmaceutical composition of claim 113 formulated for twice daily administration.

140. (Previously presented) A pharmaceutical composition for treating a mood disorder or an anxiety disorder comprising pipamperone in a dose of 5-15 mg and escitalopram in a dose of 10-20 mg.

141. (Previously presented) A method of treating an anxiety disorder in a patient comprising administering to the patient the pharmaceutical composition of any of claims 110, 112-113 or 115-140.

142. (Previously presented) A method of treating a mood disorder in a patient comprising administering to the patient the pharmaceutical composition of any of claims 110-111, 113-114 or 116-140.
